2

Enter your name, birthday, and zip code.

The screenshot shows a web form titled 'Pharmacy' with the heading 'Let's locate your pharmacy record'. Below the heading is a sub-header: 'Please enter your information as it appears on your prescription label. All fields are required unless marked optional.' The form contains four input fields: '1. First name' (with 'Jessica' entered), '2. Last name' (with 'White' entered), '3. Date of birth (MM/DD/YYYY)' (with '02/28/2004' entered), and '4. Zip code' (with '94132' entered). A 'Continue' button is at the bottom.

3

Click "Add new card" and enter your credit card information.

The screenshot shows a web form titled 'Add a new card' with the sub-header: 'All fields are required unless marked optional.' The form contains several input fields: 'Card Number' (with a masked number), 'Expiration' (with 'Month' and 'Year' dropdowns), 'CVV' (with a masked number), 'Name', 'Address', 'City', and 'Phone Number'. A 'Save Card' button is at the bottom.

4

Click "Save Card" and see your card details securely saved to your pharmacy account.

The screenshot shows a web page titled 'Pharmacy' with the heading 'Saved payment methods'. Below the heading is a sub-header: 'We support the following payment types: credit and debit cards.' The page displays a saved card: 'VISA VISA 1234 Expires 01/25'. Below the card is an 'Add new card' button. At the bottom, there is a footer with links for 'Quick Links', 'Company Info', 'Policies & Disclosures', and 'Contact'.
